Barrack Library Embarks on the eReader Journey: The Nook Simple Touch

The library is going to support classroom studies and recreational reading by purchasing sets of Nook Simple Touches. Why are we going with the Nook Simple Touch? Here are some of the features we like about the Nook Simple Touch:

- a battery life of up to two months
- touchscreen technology
- lightweight and ultra portable
- no web browser, which means fewer distractions for students
- students cannot purchase or download content
