

Our Canvas site is a private and secure learning management system that students use to access materials for their classes, assignments, due dates for projects and assessments and their grades. Parents can view basic student interactions, course content and their child's grades but cannot participate in the course itself.

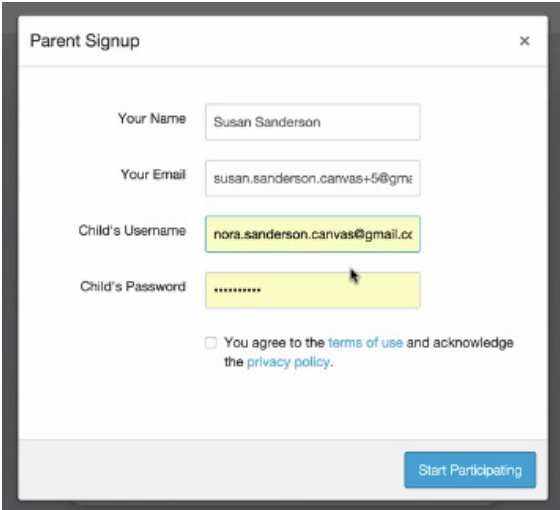

### How to access our Canvas site as a Parent Observer:

#### EXISTING ACCOUNTS

- In your preferred browser, go to [jbha.instructure.com/login/canvas](http://jbha.instructure.com/login/canvas) and enter your email address and password
- Forgot your password? Click the Forgot Password link
- See below for instructions for adding a sibling to your account

#### NEW PARENT ACCOUNTS

- In your preferred browser, go to [jbha.instructure.com/login/canvas](http://jbha.instructure.com/login/canvas)
- Click on Parent of a Canvas User? Click Here for an Account.
- Enter:
  - Your full name
  - Your Email
  - Child's Username: **{Student's JBHA Email}**
  - Child's Password: **{Provided Student Password}**
- Agree to the terms of use by clicking the checkbox.
- Click the Start Participating button
- To finish registering for Canvas, check the email account you registered with, click the provided URL and create your own password.

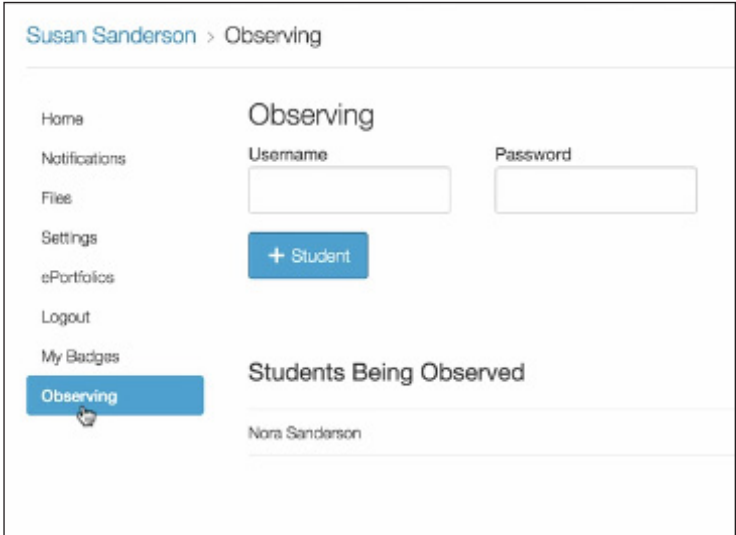

#### ADDING A SIBLING TO AN EXISTING ACCOUNT

If you have more than one student at JBHA, you will receive additional emails with their user names and passwords.

Once you are logged in, use the following instructions to add additional students:

- In your Canvas account, click on the Account button in the left-hand blue navigation bar.
- Click Settings in the user navigation menu.
- Click the Observing link.
- Enter:
  - Username: **{Sibling Student's JBHA Email}**
  - Password: **{Provided Sibling Student Password}**
- Click the "+ Student" button.
